Choice Varieties — Highest Quality

Washington Grown

**All Divisions Are From *Young* Planting Stock,
Grown in a Healthy Condition**

ROUTE 2 - BOX 2471 - EDMONDS, WASH.

WE ARE offering approximately eighty varieties of choice Peonies for fall season planting. All are grown from our own Private Collection which has been carefully selected over the past fifteen years. We are sure that this list will give either the Peony connoisseur or the new enthusiast some of the choicest varieties in existence to choose from.

We vouch for their healthy condition as they are divisions from young two-year-old field grown stock. Our long growing season in the state of Washington permits large three to five eye divisions.

Visitors Are Welcome

You are welcome to visit our garden and nursery any time during blooming time in June (usually at its height about June 15th).

Location and Direction

Drive to the city of Edmonds, Washington. We are located one and one half miles north of the City. Turn right at "Seaview Heights" sign board and drive up the hill following our signs of identification.

TERMS

Remittances—Should accompany all orders and may be made by check, cash or post office money order.

Guarantee—All varieties are true to name. Should any prove not to be, we will replace them with true stock.

Divisions—All will be healthy three to five eye divisions.

Planting Instructions — Cultural directions will be mailed with each order.

Time of Shipment—Should begin about the first week in September and continue as long as ground remains free of frost.

Prepayment of Order—We prepay orders for Peonies amounting to \$5.00 or more anywhere in the United States. Please send 25c for postage on smaller order.

Notice—All varieties as listed are subject to prior sale.
